COSMETIC PROCEDURES PRICE SCHEDULE

- ❖ **THANK YOU for your interest in our practice's cosmetic procedures. We are happy to discuss your goals in skin improvement, and to help you select the best treatment plans!**
- ❖ **Cosmetic procedures are considered elective procedures, and are not billable to insurance.**
- ❖ **A \$100 deposit is required to schedule any procedure (after initial consultation visit). This deposit is not refundable if the appointment is not cancelled 24 hours before the appointment.**
- ❖ **Because these are medical procedures, and individuals respond differently, results cannot be guaranteed. Refunds cannot be issued after a procedure is performed.**
- ❖ **Please read the information sheets for descriptions of procedures.**

Consultation Visit

A consultation visit is necessary prior to any procedure in order to take a medical history, evaluate the most appropriate treatment plan, and to review pre-procedure instructions. A fee may be charged for the consultation. A treatment appointment is then scheduled. For some patients who have already seen the physician, the consultation

visit may be waived at the physician's discretion.

BOTOX Injection **\$14.00**
per unit

Frown lines are usually treated with 30-50 units, the lines around the eyes with 20-30 units, and lines on the forehead with 20-40 units. These are average guidelines, and treatment plans for individual patients will differ, depending upon strength of muscle activity.
