Financial Responsibility

ASSIGNMENT OF BENEFITS

I assign payment of benefits for medical services be made on my behalf to Dermatologist Medical Group of North County, Inc (a Medical Corporation), for services rendered. I authorize the release of my personal medical information to the Health Care Financing Administration, its agents, or agents of my health insurance as needed to determine benefits payable for related services. This assignment of benefits will remain in effect for future services relative to this or any other health insurance I may have.

FINANCIAL AGREEMENT

If DMGNC is contracted with your health insurance, we will bill your insurance for you. However, the patient is required to understand the benefits and restrictions of their individual health insurance. If your health insurance requires a prior authorization for medical care, the patient is responsible for obtaining this, and providing proof of authorization before scheduling an appointment. It is your responsibility to notify us if there are any changes in your health insurance, primary care physician, address, employment, etc. Co-pays and deductibles will be collected prior to your visit with the physician or physician assistant.

I understand that I am financially responsible for all charges for services provided by Dermatologist Medical Group of North County, Inc., (DMGNC) whether or not they are covered or paid by my health insurance. By signing this form you agree that you are responsible for any charges provided by Dermatologist Medical Group of North County, Inc. and its Providers if they are not covered by your health insurance for any reason. In addition, you are responsible for any deductible or co-share determined by your health insurance. Further, you agree that in the event of default you will pay all costs of collection, and reasonable attorney's fees. *A copy of this agreement shall be as valid as the original.*

General Appointment Information

COSMETIC PROCEDURES

Cosmetic procedures are cash visits only and cannot be billed to insurance. These procedures include but are not limited to: Botox, Juvéderm, Restylane, Hair Removal, Facial Veins, Spider Veins, and Skin Tags or Benign Growths. Credit Card information is required to hold this appointment time for you.

DISABILITY FORMS

Because disability and other related forms have become more extensive and time consuming to fill out, there is now a $15.00 charge for completing them. This is not covered by the insurance and is therefore the patient's responsibility.

MISSED and LATE APPOINTMENTS

Your appointment time is reserved for you. We will send an automated phone call reminder for your scheduled appointment. If you are scheduled for a procedure you may also receive a call from one of our staff.

If you need to cancel your office visit, we require a 24 hour notice. If you need to cancel a cosmetic procedure or surgery, we require a 48 hour notice. This will allow us to contact and schedule a patient who is waiting for an appointment time. If you miss a scheduled appointment and did not cancel within the time frame required, you will be required to make a $50.00 deposit when you schedule your next appointment.

If you are more than 15 minutes late for your appointment we will make an attempt to accommodate you during that session. However, this may involve seeing another practitioner, waiting to be seen at the end of the session or rescheduling for another day. When appointments are missed or canceled at the last minute another patient is deprived of the opportunity to see the physician during that time.
